Eligibility Questionnaire

Please kindly demonstrate how your organisation meets the following eligibility criteria.

How does your organisation uphold and support trust in charities and responsible donating?

How does your organisation uphold and support the development of the charitable reuse, recycling and/or retail sector?

How does your organisation assist charitable recycling organisations in at least one of the following areas:

- To access high quality donations and product supply
- To reduce illegal and unintentional dumping
- To increase reuse, recycling and resource recovery

What preferential discounts, pricing and commercial benefits can your organisation offer to **Charitable Recycling Australia** members?

Declaration of Eligibility

We pledge to uphold the following ethical and/or collaborative principles:

- We agree to align with **Charitable Recycling Australia** messaging and policy positions, and not undermine any of these positions.
- We agree that **Charitable Recycling Australia's** role is to speak on behalf of the reuse, recycling and retail sector, not ours.
- We are committed to creating social and/or environmental good.
- We are committed to acting ethically, transparently and responsibly in all our business and commercial dealings.
- We agree that any decision over which organisations to accept as Supporter Organisations is solely at the discretion of **Charitable Recycling Australia's** National Executive Committee.
- If approved as a Supporter Organisation, we agree to only use the term 'Supporter Organisation' not 'Partner' nor 'Member'.
- We agree that **Charitable Recycling Australia** reserves the right to terminate any Supporter Organisation agreements with immediate effect at its absolute discretion.
