Eligibility Criteria

Eligibility for Supporter Organisation status is limited to commercial textile collection and second-hand reuse export companies operating in Australian markets and/or with charitable organisations within Australia.

- **Representation** – Organisations are to be clearly represented as commercials and not as community, charitable or non-profit organisations
- **Terminology** – Organisations are to only use the terms ‘Supporter Organisation’ and ‘Corporate Partner’ but not use the terms ‘Member’ or ‘Membership’
- **Policy Positions** – Organisations are to align with Charitable Recycling Australia messaging and policy positions, and not undermine any of these positions
- **Donation Bin Policy** – Organisations are to maintain compliance with Charitable Recycling Australia’s donation bin policies, and all state and local government policies, guidelines and expectations
- **Export Accreditation Scheme** – Organisations are to maintain compliance with Charitable Recycling Australia’s textile reuse accreditation scheme
- **Modern Slavery** – Organisations are to are to acknowledge and; where applicable; respond to the objectives of the Modern Slavery Act
- **Upholding Trust** – Organisations are to uphold and support trust in charities and responsible donating
- **Supporting Role** – Organisations are to support charitable members access quality donations, reduce dumping and increase resource recovery
- **Business Practices** – Organisations are to maintain responsible business practices without anti-competitive behaviour
- **Member Servicing** – Organisations are to maintain responsiveness and communication on any member servicing issues as they arise
- **Dispute Resolution Service** – Charitable Recycling Australia may be asked to mediate in a dispute resolution process with any affected members
- **Charitable Sector** – Organisations are to defer to Charitable Recycling Australia’s role to speak on behalf of the charitable reuse and recycling sector
- **Advocacy Expectations** – Charitable Recycling Australia will decide on if, when and how any advocacy campaigns are undertaken
- **Application Decisions** – Decisions on Supporter applications are solely at the discretion of the Charitable Recycling Australia board
- **Breaches of Criteria** – Supporter Organisation status may be revoked by Charitable Recycling Australia at any time for any breaches of criteria.

Please kindly provide a statement and/or any supporting information on your organisation's commitment to upholding each of the eligibility criteria and supporting member enterprises, and the reuse and recycling sector. Please use a separate sheet or attachment if required.:
